News Coverage

Officials: Robin Williams apparently hanged himself with a belt

The tributes to Robin Williams flow from around the world as stunned friends and family search for answers about why the comic legend would take his own life.

Robin Williams: The 60 Minutes Interview

See the young Robin Williams as he was in 1986, a comic genius in his prime. A classic profile from the archives of 60 Minutes

The Best Robin Williams Moments

Robin Williams, the beloved comedian and Oscar-winning actor, is dead at 63. Here's a look back at his greatest moments.

Michael J. Fox “Stunned” by News That Robin Williams Had Parkinson’s Disease

As were so many others, Michael J. Fox was stunned and saddened by Robin Williams’ death earlier this week—and, just like so many, he was “stunned” when Williams’ widow confirmed today that her husband had been dealing with the early stages of Parkinson’s disease when he took his own life.

Coroner Defends Robin Williams Death Report, Agrees Details Could Be Seen as “Disturbing” or “Unnecessary”

Facing some backlash over the graphic nature of their report yesterday about the cause and circumstances of Robin Williams’ suicide, Marin County Sheriff’s Office Deputy Chief Coroner Keith Boyd is defending the release of the information as standard protocol while also acknowledging the understandably strong feelings provoked by the news.

Quotes

“You know what music is? God’s little reminder that there’s something else besides us in this universe; harmonic connection between all living beings, every where, even the stars.”

“You will have bad times. But they will always wake you up to the stuff you weren’t paying attention to.”
